

# 3.0 Leaders Conference 2015

Collaborate · Educate · Innovate

Join 3.0 leaders across community, civic, non-profit and private sectors as together we discover the new rules, identify best practices and meet the challenges facing our communities in today's rapidly changing world.

Each day will include keynote speakers, panel discussions, breakout sessions and networking that "makes a difference" with like-minded experts across multiple spheres of influence.

### Connect with 3.0 Leaders

Network with people who really get things done in the fields of education, business, technology, and funding.

### Discover Solutions

Collaborate with other thought leaders to help our communities meet the challenges of our fast-moving society.

### Challenge Your Perspective

You won't leave this conference the way you arrived. Drop the business cards and build real, constructive partnerships.
